**Ang Alamat ng Saging**

by: Dianne Melanie W. Pesito

Sa isla kapag ikaw ay pumunta, malalayo ka sa iyong pamilya. Makararanas ng lungkot, minsan ikaw ay nag-iisa

Kung ikaw ay nababagot at wala talagang magawa

May isang lugar na sa palagay ko ikaw ay mapapasaya.

Sa lugar na ito ay may mga saging na nakatanim

Na kahit wala itong gawin, mapatawa ka nang nag dadaing Dahil sa karatulang nasa saging, tiyak mawawala ang iyong pagka bugnulin...

**from page 7 / Mayor Jb...**

Sa susunod na tatlong taon ng kanyang muling panunungkul-an ay marami pa ang inaaahan kabilang na dito ang partisipasyon at pangunguna sa pananatiling pagkakatayo ng bandila ng Pilipinas sa kabila ng hamon sa kasalukuyang henerasyon.

Hindi kumpleto ang pagdiriwang pag walang basketbol. At syempre hindi rin masaya ang laro pag walang kantyawan, salamat naman at walang pikunan na totohanan!

Sa pagbubukas ng sports competition ay bida ang basketbol. Apat na grupo ang naglaban-laban. Naunang makuhang ikahulihang pwesto ng Green team sa ilalim ni Coach Lt. Cedeño. Nasa iaktlong pwesto naman ang blue team ni Coach Admin MJorge Misajon. Para malaman kung sino ang karapat na maging kampeon, ay naganap ang final match sa pagitan ng lavender team na pinangungunahan ng playing Coach na si Engr. Arnel Esller at ng Pink team ni Coach Japoy Esller noong ika-12 ng Mayo. Dumadagondong ang hiyawan sa dami ng supporters at fans ng lavender team ngunit nanatiling underdog ang pink team. Maagang na-penalty ang kupungan ng lavender team na sinamantala naman ng pink team upang maisagawa ang mga fast break plays. Hindi nagkaron ng pagkakataon Si BJ Piring, Juanito Camo at Judy Masagnay na pigilan sa pag score sina Mewin Dela Torre, at Gng. Nangit ng Philippine Navy. Sa score na 66 at 69 ay tinanghal na kampeon ang kupungan ng Pink.. Naipanalo ng batang Esller ang kanyang kupungan. Ang Pink Team ay tumanggap ng premiyong nagkakahalaga ng tatlong libong piso. Ang Pink Team din tinanghal na kampeon sa cheerdance competition.

Kasabay ng pagdiriwang ng ika-35 anibersaryo ng Kalayaan ay ang pagpapasinyaya ng Municipal Engineering Building/warehouse na nagkakahalaga ng P1.250 milyong piso. Ito ang kauna-unahang konkreto ng gusali na naitayo sa Munisipyo na pinindohan ng pamahalaang bayan mula sa tinatawag na 20% Development Fund. Naitayo ang

nasabing gusali sa pamamagitan ng Municipal Engineering Office na pinamumunuan ni Engr. Arnel V. Esller. Ayon kay Engr. Esller, kundi dahil sa konstruksyon ay matagal na sanang nakumpleto ang nasabing proyekto. Gayunpaman, maituturing na malaking accomplishment ito para sa opisina ng engineering dahil ito ang magsisilbing kanlungan ng mga kagamitang (See page 5 / Engineering...)

and What will make me stay here for life? The women responded positively and were honest on their preferences. Thoughts and ideas were also consolidated in formulating the vision of the association. The activity gave way to the promotion of camaraderie among themselves, especially the island-based women. They elected seven (7) board of trustees that will lead the organization and selected among them the President, Vice President, Secretary and Officer.

### Kauna-unahang Ironman Challenge inilunsad

by: Cha T. Magdayao

**Participants and Marshalls posed during the 1st Ironman Challenge**

Race to finish ang hamon ng ironman competition na inilunsad ng opisina ng Municipal Disaster Risk Reduction Management sa pamumuno ni Admin Jorge Misajon at sa pamamagitan ng Technical Staff for Administration and Training na si Mr. Joey Rabanal. Sinubok ang tibay at kakayaan sa paglangoy sa dagat na may layong isang milya, magbisekleta sa habang 2.7 kilometro at tumakbo sa kahabaan ng 1.3 kilometrong paliparan sa ilalim ng napakatinding sikat ng araw.

Sa qualifying round ay sinalihan ito ng pitong manlalaro na binubuo ng tatlong sundalo, isang nurse, isang empleyado, at isang anak ng empleyado, ngunit lima lamang ang napiling tumuloy sa final round ng kumpetisyon. Naging kaabang-abang ang final round dahil sa tatlong kababaihan na nagkasundong tanggapin ang hamon na kung kaya ng kalakihan

ay kaya din naman ng mga kababaihan. Sa hiwalay na kumpetisyon ay pinatunayan ni MJ Batiancila na kanya ang titulong ironlady ng Kalayaan sa taong 2013.

Pumangalawa si Louella Ocampo. Kundi lamang napulikat ang isa pa sa kalahok na si Ms Donna Palay ay natapos din sana nya ang kumpetisyon at makuhang ikatlong pwesto.

Dahil sa liksi at bilis ni Sgt. Mark Orello ay naiwan nya ang lahat nyang katunggali at natapos ang challenge sa loob lamang ng tatlumpong minute at tatlumpo't dalawang segundo. Pinangalawahan sya ni Bors Asiado at pangatlo naman si Darwin Hermoso. Dahil si Lt. Saquiban at Butchoy Elim ay nagkasundong ereserba sa kanila ang ika-apat at ika-limang pwesto sa kumpetisyon ay walang dudang nakamit nga nila ito. Sa huling round na takbo sa kahabaan ng paliparan ay naiwan ni IC Saquiban si (*See page 9 / Ironman...*)

Ang lahat ng kalahok, maliban kay Ms. Palay ay nagkamit din ng mga papremyo.

**N**gunit ano nga ba ang ibig sabihin ng kasal? Ang kasal, bagamat isang kasunduan ng puso, diwa, at isipan, ay ginagawad at ipinagdiriwang bilang simbolo ng pagpapahayag sa lipunan o komunidad ng pag-iisang-dibdib ng dalawang taong nagmamahalan. Ito rin ay isang pangakong pagsasama sa hirap at ginhawa, at pagtutulungan ano man ang mangyari sa kanilang hinaharap.
